[Facebook.hack-2013.v3-Lindir](#)

The screenshot shows the 'CLASH of CLANS Hack online' interface. At the top, it says 'Version 5.2 (2016)'. Below that, there is a 'Type Username' field with 'King2016s' entered. There are three dropdown menus for selecting the amount of Coins (250), Gems (250), and Elixir (250). A green 'Generate Now!' button is located to the right of the Elixir dropdown. Below the form, there is an 'Info' section with the text 'Be sure to type your Clash of Clans username.' and a 'Latest Activities' section showing a recent activity: '105.113.208.133 has generated 7,000 Coins 1,000 Gems 7,000 Elixir 16s ago'. At the bottom, another 'Info' section states 'The activities are delayed due to high traffic.'
